**A STATE OF THE
ART ENVIRONMENT
FRIENDLY FACILITY
TO CREATE
SKIN CARE
FORMULATIONS
THAT DELIVERS ON
PERFORMANCE
CLAIMS**

Aadhunik Ayurveda provides leading brands, salon, make-up artists and start-ups with clean sustainable, healthy and effective formulation, in all give shape & tangibility to their vision with complete assistance from start to finish as per the budget and industry insights.

With us you always stand a chance to stay ahead of competition in delivering potent-effective, healthy, clean, sustainable, cruelty free and environment friendly products.

Aadhunik Ayurveda continues to expand the capabilities & thereby the facility to deliver quality with utmost satisfaction in time. Here's How?

DEVELOPMENT FACILITY

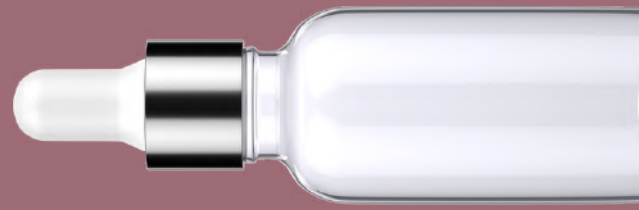

A world class facility equipped with traditionally used equipment and modern day needed machinery

PRODUCT FORMULATION

Our team of experienced chemists blend the plant derived unprocessed nutritional compounds to meet your vision in defined budget in compliant to global regulatory norms

COMPATIBILITY TESTING

Each product is tested for compatibility, quality, efficacy before final production

QUALITY INGREDIENTS

Organically grown ingredients are directly collected from the farmers and processed organically to use as an ingredient in various products

ORGANIC FARMING

Connect with certified organic farmers help us source quality nuts & seeds, fresh & dried herbs etc

DESIGNING, LABELING & PACKAGING

We help you choose the best dress for your product with a view to protect the product, provide easy product functionality for the consumer, enhance its beauty & value and reduce environmental impact

Skip the complicated stressful phase of product – formula development and fast forward your launch with skin care products that benefits the people and make them come back for more.
